Let's Talk about It

The background of the slide features abstract, soft-edged shapes in shades of light blue and white, creating a calm yet somber atmosphere.

Being a victim of

molestation,
rape or
domestic violence

can be a **traumatic experience.**

You may be worried about
how you are going to
face your family and friends
or
whether they will believe you.

Perhaps you may feel that
no one understands
what you are going through.

With all that's happening around you,
you may find it **difficult to cope**
or think the best thing to do
is to keep quiet.

You need to know that
what happened to you

is not your fault.

It has nothing to do with what you
said,
did or
did not do.

More than that,
you need to know that
you are not alone
and that

**you don't have to keep quiet
about it.**

Women's Centre for Change (WCC)
and **Pusat Perkhidmatan Wanita (PPW)**
have a Support Network in Penang

for victims of sexual violence
and
domestic violence.

We are here to listen to you,

answer any questions you may have
and **support you through this
difficult period.**

If you want to talk to someone
about what has happened to you,
please call

WCC 04-2280342 (Penang Island)

PPW 04-3988340 (Seberang Perai).

Let us help you.

Our services are **free and confidential**.

*Remember
you are not alone.*
